# Sweet Gingerbread
Character Pokes

1. Print and then mount page on cardstock
2. Cut out the character pieces
3. Fold leg sections in half.
4. Place a toothpick, small skewer or plastic pick near the top of the folded legs before applying glue to secure in place.
5. Tape or glue a toothpick, skewer or plastic pick to the center lower back of the head section.
6. Poke the character pieces into anything!

NOTE: Cover the printed, mounted sheet with protective clear laminate or Contact paper if using pokes for food items!
